

What we built together: FY25 recap

Hi friends,

We can't believe our Fiscal Year 2025 is about to end! The weeks go by as quickly as one can fan a deck of cards. We are proud of this year's accomplishments and hope you are proud to have been a part.

We have closed six homes (might get the seventh in under the wire), meaning six families now have permanent, affordable homes – homework, home-cooked meals, home for the holidays – all of it now in a home of their very own.

We successfully opened a second ReStore! The reviews are in and the Colony West ReStore is a terrific complement to our original location on South University. ***Combined, the two will have created enough profit this fiscal year to pay for the construction of about FOUR houses!***

Please continue to shop and donate at either (or better yet, both) locations.

Among other property acquisitions, we have received a home to remodel from Baptist Health, two buildable lots from Arkansas Children's Hospital, and another buildable lot from Dark Hollow Neighborhood Association in North Little Rock. More information on these to come!

Thank you again for being such a huge part of FY25. Your prayers, your gifts, your service have added up to another strong year. We are all blessed by blessing others. Let's keep the blessings flowing.

With deep gratitude,

P.S. You may recall mention of a home dedication scheduled in June. Unfortunately, because of a family health issue, we think it's best to postpone. We will get you out to one soon!

Habitat for Humanity®
of Central Arkansas

\$30k in 30 days

Help us reach \$30k in 30 days!

We are working to raise \$30,000 by June 30 and we need your help to make it happen. Every dollar you give during our **\$30K in 30 Days** campaign will be matched – up to \$15,000, thanks to a generous donor – which means you can double the impact of your gift.

This year, your support has already helped SIX families move into safe, affordable homes. With FIVE more houses currently under construction, your gift will help us keep moving forward by purchasing materials, supporting volunteers, and helping families reach their dreams of homeownership.

The 30 day challenge is short, but the difference you make will last a lifetime. Please consider giving today and help us continue building homes, hope, and a stronger future for Central Arkansas.

New homes under construction in North Little Rock need future homeowners

Two new Habitat homes are currently under construction in North Little Rock, and we are searching for future homeowners to partner with us through our Homeowner Program.

The home at 1928 Flora (left) will have 3 bedrooms and 2 bathrooms, offering a comfortable layout for a family looking to build a better future. The house at 1311 West 11th (right) will have 2 bedrooms and 1 bathroom, making it a great option for a smaller household ready to put down roots.

These homes are being built from the ground up by Habitat for Humanity of Central Arkansas. When complete, they will provide safe, affordable housing opportunities for hardworking individuals and families who qualify.

If you or someone you know is interested in learning more about becoming a Habitat homeowner, we encourage you to email **Manuela Catic**, our homeowner services coordinator.

June is National Homeownership Month: Build your legacy to build homes

As we continue to build homes in our community this June, you can join us by building your legacy! Consider creating your will and including a gift of any size in your plans.

You will make a lasting impact on Central Arkansas that not only builds homes, but also communities and hope, for generations to come. Our partner, **FreeWill**, can help you make your free will and legacy gift in just 20 minutes.

Gratitude Gathering

Thursday, Nov. 20, 11:30 a.m. - 1 p.m.
Pleasant Valley Country Club
1 Pleasant Valley Drive | Little Rock

Help us kick-off the season of thanksgiving while enjoying a mimosa mingle and delicious luncheon as we honor groups or individuals who have made a major impact on the success of our organization. In addition, Habitat homeowners will share their stories of home and gratitude. We hope you will join us for this wonderful event!
