

Welcome to the Dog Days of Summer

Hello! Earlier this month, the "dog days of summer" became a reality here at our offices when we fell in love with two strays, a brother and sister, found in our rear parking lot.

We (very) slowly lured them into the boardroom just before a big storm. We are in the business of finding homes for deserving families, and folks – we are now in the business of finding a home for this sweet canine family.

PLEASE go visit them at [Little Rock Animal Village](#) where they are together in a kennel as a bonded pair. Ask to see "Walnut" and "Nuka." When you adopt them, maybe you can rename them Jimmy and Rosalynn in honor of Habitat ambassadors, President Jimmy Carter and his late wife!

Just like we know our homebuying families will thrive under their own roof, we know these sweet pups will, too. Will you give them a loving home? I personally will pay the adoption fees if you will bring them to the ReStore for an occasional visit! 😊

With gratitude,

Kelly Jen

Blessings Abound

We've had TWO home dedications in June! On two consecutive Friday afternoons this month, we celebrated with new homebuyers Gladys (left) and Katrina (right), their family and friends, and our Habitat family and friends.

What makes these homes different from other Habitat homes is we purchased them at auction last spring. We were able to acquire them for less than it would have cost us to build them AND we were able to make them available to new families more quickly than if we had them under construction. We were good stewards of our resources AND these families start building stability and self-reliance that much sooner.

Join Us in Celebrating 35 Years of Impact with Habitat for Humanity of Central Arkansas

This year marks a significant milestone for [Habitat for Humanity of Central Arkansas](#) as we celebrate **35 years of transforming lives and communities**. Since 1989, we have dedicated ourselves to building strength, stability, and self-reliance through shelter.

Our commitment has resulted in the construction of **250 homes and rehabilitation of 838 homes**, providing countless families with a safe, decent place to call home. Each nail driven and each wall raised symbolizes hope, hard work, and community spirit.

We invite you to join us to celebrate this incredible journey on **Thursday, July 11, 3:30 - 5:30 p.m.**, at our current home build located at 1812 Pinewood in Little Rock. We will have cake, ice cream, and cold drinks as you tour a Habitat home and see the impact your support is making on affordable housing!

The Finish Line is Drawing Near

We have the opportunity to soar past our ambitious construction goal of closing on 10 homes this fiscal year, so on May 1, we launched our **\$60K in 60 Days** campaign to help us raise the funds needed to complete **two additional projects by the end of June**.

So far, we have raised over **\$38,000 towards our goal of \$60,000**. There's still time to help us reach our goal by Sunday, June 30, and put two more families in new homes by the end of our fiscal year.

We KNOW we can do this because of friends and supporters like you who share our commitment to "building homes, communities, and hope."
