

**We have LOTS to share with you!**

Dear friends,

Thank you for opening our email and reading! 🥰 We have "lots" to share with you, literally. Last week, we received two buildable lots from the City of Little Rock Land Bank!

Suitable land – with clear title and utilities, for example – is an ongoing challenge for us. We intend to build on these properties quickly and serve two more deserving families.

One of these properties is already designated an Apostles Build, funded by several area United Methodist churches and the United Methodist Foundation. These congregations have been exceedingly generous, living out loud our mission of "Seeking to put God's love into action, [we] bring people together to build homes, communities, and hope." We cannot wait to work alongside them.

Next, we cannot wait to PLAY alongside YOU at our **Baggo, Brats & Blues** event on **Sunday, April 30**, at The Railyard. Read details below and make plans to join us. We will honor homebuyers who have paid off their mortgages while enjoying good company, music, and friendly competition.

We are always here to visit, answer questions, etc. Be in touch!

Proud to share this work with you,

*Kelly*

**Women Build 2023 Kicks Off With a Bang**

We're so excited to kick off our Women Build program for 2023. Our official kickoff, held on Tuesday, Feb. 21, at ReStore, was a smashing success and we're thankful to everyone who came out to join us.

This exciting program empowers women everywhere to build skills and confidence while building for a deserving homebuyer. A total of 100 women are participating in this year's program to raise funds, confidence, and walls!

Our newest home dedication was held on Friday, March 3, for the Moss Street buildin North Little Rock. A great crowd of friends and well-wishers came out to celebrate with new homeowner, Toccara and her beautiful family.

**We've Got Spirit... Yes, We Do!**

Habitat participated in **North Little Rock Chamber of Commerce's** Bowling for Business recently and came home with a trophy for **"Most Team Spirit!"** We may be lousy bowlers (Assistant ReStore manager Destiny is the best), but we make up for it in team support and congeniality. We had a team of five, including three from the ReStore, two from administration, and four administrative cheerleading "spectators."
